

NEW FOR 2021

The NEW Magnivue

A great add-on to compliment any Simpson 260 meter

Simpson Electric's NEW Magnivue is an excellent accessory for use in conjunction with Simpson's 260 meters. The Magnivue is easy to attach to the meter bezel and provides clear magnification of the meter display for optimal viewing.

Features & Benefits

- Magnifies meter display for easy read
- Easy, friction fit installation around the meter bezel
- Increases accuracy in measurement change monitoring
- Removeable PVC lens for easy cleaning
- Ultra-light weight
- Durable, flexible frame
- Hand crafted with pride
- MADE IN THE USA
