

SIMPSON ELECTRIC COMPANY

***** New Career Opportunity *****

July 20, 2021

Job Description: Machine Maintenance & Operator Apprenticeship

In general, Simpson Electric Company is seeking to employ an individual who possesses a broad range of working knowledge relating to the equipment and processes used by the Company to meet operation requirements. The individual's duty station will be the Plastics division of the Simpson Electric operation. Thus, the knowledge and experience preferred but will train as needed for the position will relate to the equipment and processes used in the Plastics component of the Simpson Electric operation.

SPECIFIC DUTIES AND RESPONSIBILITIES

Under the direct supervision of the Plastics Supervisor;

1. Be able to diagnose repair needs, to repair and/or provide for the repair, the equipment used at the Plastics operation;
2. Insure all equipment is properly maintained on a day to day basis. This will involve in addition to the actual maintenance of said equipment, the posting of maintenance schedules, the actual implementation of those schedules and/or the monitoring of the actual maintenance processes to insure compliance with the posted schedules;
3. Be able to construct small jigs and fixtures as required by the Plastics operation;
4. To implement as required, day-to-day type facility maintenance processes and procedures, to include but not be limited to the addressing of the utility needs of the operation as well as, insuring the facility itself is kept in a condition as required by the quality control needs of the operation;
5. To be able to fill in/replace as instructed by the Supervisor, for employees on leave and/or in positions which for whatever reason, have become vacant; to do production work;
6. To perform other duties as assigned by the Supervisor and including at the Main Plant when needed.

Full time position with benefits.

Work hours will be Monday thru Thursday 6:00 am to 4:30 pm

All applicants are required to take a drug test.

Applications are available at Simpson Electric Company or on our website.

Simpson Electric Company is an equal opportunity employer.
