

NEW for 2021

The NEW Clear Eyewear Protective Face Shield

Simpson's clear eyewear protective face shield mounts to nearly any pair of glasses using an array of holes, slots, and slits. The design provides a face covering option without the common problems associated with cloth and paper masks or full-face shields.

Features & Benefits

- Constructed of 0.01" thick clear polycarbonate
- Strong and durable
- Easily cleaned with soap and water
- Reusable
- Sits below line of vision with no glare
- One size fits all
- Will not fog glasses or muffle voice
- Won't interfere with makeup or hair
- No pulling on ears
- Keeps you cool in the heat
- MADE IN THE USA
